### **The Dominican Republic Service Project**

This service project offers high school participants the opportunity to live solidarity. Through a maintenance and construction project that is both demanding and rewarding, volunteers will discover the great joy of sacrificing themselves for others. They will

also benefit from the opportunity to interact with local High School students, who will participate in the projects and lodge with the group. They will be learning about their culture and way of life. Participants will also have the opportunity to take advantage of spiritual activities such as daily Mass, and regular times for prayer.

Cabanas at the Hacienda Buenavista

**The Program:** Participants will spend a full week in Buenavista, a conference center of Opus Dei in Jarabacoa, a city in the mountainous region, north west of the capital Santo Domingo. The days will be spent

clearing the forest near the conference center and refurbishing classrooms in a nearby village school. Participants will spend time in sports and other social activities, and they will have the chance to

go on a cultural and sightseeing trip in Santo Domingo and a hiking expedition to a nearby national park. There will be presentations about the history and geography of the Dominicana.

**For high school boys**  
**June 23 – June 30, 2024**  
Registration:  
**Tekesta Study Center**
